- **Training Credits - Sun Services Education Account.** Each credit entitles Customer to one thousand dollars (\$1,000) worth of qualifying Sun Educational Services products and services as more fully described at the following URL: <http://www.sun.com/service/servicelist/ses/eduaccount-us-eng-20020918.pdf>

The products or services to be purchased with these credits must be mutually scheduled no later than four (4) months following the acquisition of the credits, and the credits must be used within twelve (12) months of their acquisition. Any such credits not so scheduled or used expire.

- **Professional Services (PS) Hours -**

Enterprises with 1,000 to 4,999 licensed employees will be entitled to sixty (60) professional services hours defined by one or more Statements of Work (SOWs). The professional services hours can be used to assist with various activities in a solution life cycle such as evaluation, architecture, implementation, and ongoing technology assessment.

Enterprises with 5,000 to 19,999 licensed employees will be entitled to one hundred sixty (160) professional services hours plus an additional two (2) hours per one hundred (100) employees over 5,000 defined by one or more Statements of Work (SOWs). The professional services hours can be used to assist with various activities in a solution life cycle such as evaluation, architecture, implementation, and ongoing technology assessment.

Enterprises with 20,000 or more licensed employees will be entitled to four hundred sixty (460) professional services hours plus an additional two (2) hours per one hundred (100) employees over 20,000 defined by one or more Statements of Work (SOWs). The professional services hours can be used to assist with various activities in a solution life cycle such as evaluation, architecture, implementation, and ongoing technology assessment.

The Statement of Work and dates of service must be agreed upon within two (2) months of the effective date stated in the Proof of License. Customer entitlement to hours not used within six (6) months of the effective date set forth in the Proof of License will expire unless the work is already in progress.

3. Customer Responsibilities

The following are the responsibilities of the Customer (“Customer Responsibilities”):

- Provide all information required under the Binary Code License Agreement or this Service Listing or reasonably determined by Sun to be necessary to deliver the Service, including without limitation, information about network connectivity and configuration, RAID, LUN, system management services, system and domain naming, and IP configuration.
- Provide Sun, upon Sun's request, with access to Customer's facilities, systems, and operating environment, including root access.
- Supply Sun with the name and telephone number of a Customer employee to act as the designated point of contact for the purposes of this Service.

4. Additional Provisions

- This Service includes only the tasks and deliverables described above. Additional services including configuration and implementation services are available from Sun at an additional fee and at Sun's then current terms and conditions. Please contact your Sun Sales Representative for more information on available implementation services.
- Unless otherwise agreed upon between Customer and Sun, all services will be performed during Sun's normal business hours, excluding Saturdays, Sundays, and public holidays.
- All Covered Software and all hardware and software related to or impacted by the Covered Software (collectively the "System Environment") must be installed in accordance with Sun's quality standards. In the event that Sun determines that the Covered Software or System Environment have not been installed in accordance with Sun's quality standards, Sun may charge Customer on a time and materials basis for any work necessary to enable delivery of this Service.
- This Service may not be available, in whole or part, in all areas, or may include additional charges, including additional travel, accommodation, and per diem expenses, depending upon Customer's proximity to a Sun location, or in the event that Sun determines that additional on-site visits are required.
- Sun may subcontract or assign performance of any or all of the services described herein.
- Sun's obligation to provide this Service and to meet Service delivery dates is subject to the Customer meeting the Customer Responsibilities and scheduling services prior to the dates set forth in the Service Listing, unless these dates are extended at Sun's request.
- Note that if Company has purchased the Java Enterprise System for educational institution use only, Company will receive only Sun Standard Software Support or Sun Premium Software Support and not eLearning, training credits, or professional services hours.

Additional Fee Services

For an additional fee, Customer may purchase the following additional service, where available:

- Additional Media. Additional copies of physical media for Software Enhancement Releases.

In the event that Customer purchases the above-described Service from Sun, this Service Listing and any applicable SOW are incorporated by reference in and subject to the terms of the current agreement under which Customer may order products and services from Sun ("Agreement") or, if there is none and the Services are nevertheless delivered by Sun, the delivery of those Services will be governed by the Sun General Terms and its Purchasing Exhibit together with all applicable Appendices thereto. Sun is not obligated to perform the Services described in this Service Listing or SOW unless Customer has an Agreement with Sun and has received an order confirmation from Sun accepting Customer's purchase order or electronic order for the Services. This Service Listing or SOW does not constitute an offer by or invitation to contract with Sun. The Services described above are subject to availability and unless otherwise stated, are only available within the above-referenced country or geography. Any reference to "Customer" in this Service Listing refers to the party that enters into the Agreement with Sun. Such party may be referred to in the Agreement as "Company," "Customer," or other appropriate term.
