

Sun[SM] Certification Accelerator Packages - United States

1. Scope

Sun[SM] Certification Accelerator Packages (“Packages”) are provided to Customer for use solely by the authorized user identified by Customer (“Authorized User”). The Packages include Instructor-Led Training (“ILT”), Sun Web Learning Center (“WLC”) courses, online ePractice exams, certification test vouchers, Sun Open Net Environment (“Sun ONE”) Starter Kits, Solaris Developer Connection[SM] and Java Developer Connection[SM] membership. Each component included in these packages is described below. Please check with your local sales representative for availability.

2. Tasks and Deliverables

The specific components included in each of the Sun Certification Accelerator Packages are provided in the chart below:

*For details on what is included in the Sun ONE CD-ROM (\$30 Value), visit:

<http://www.sun.com/software/sunone/starterkit/contents.html>

**For details on why you should become a JDC Member, visit:

<http://java.sun.com/whyregister.html>

***For details on why you should become a SDC Member, visit:

http://soldc.sun.com/member_services/benefits.html

†In order to become a Sun Certified System Administrator for Solaris 9 OE, students must pass both Part I (CX-310-014) and Part II (CX-310-015) of the exam. PK-CERT-SA1A is designed to assist students in passing Part I, and PK-CERT-SA2A is designed for Part II.

2. Tasks and Deliverables, Continued

The Service Listings below describe the deliverables associated with components included in Sun Certification Accelerator Packages:

- Instructor-Led Training (“ILT”) Class -- United States
NOTE: Authorized User must register for and complete the ILT Class or Classes included in the Package within six (6) months of the date of the Package order confirmation. No refunds or extensions will be granted.
- All of the terms at <http://www.sun.com/service/servicelist/ses/classseat-us-eng-20020918.html> apply, except for the following:
 1. Sun Certification Accelerator Packages are not refundable. Sun will NOT issue a refund, even for classes canceled 10 days prior to Class start date.
 2. Authorized User has six (6) months from the date of the Package order confirmation to reschedule and attend the specific ILT Class included in the Package purchased.
 3. No ILT Class substitutions permitted.

- Web Learning Center - Individual User - United States – 180 day subscription
All of the terms at: <http://www.sun.com/service/servicelist/ses/webindividual-us-eng-20020918.html> apply.

NOTE: The 180 day subscription to the Web-based Courseware will begin when the Sun Registrar provides the Authorized User with a login and password to access to the Web Learning Center.

- ePractice Examination - Individual User - United States – 180 day subscription
The ePractice exam is considered “Courseware” under the terms at:
<http://www.sun.com/service/servicelist/ses/webindividual-us-eng-20020918.html> apply.

NOTE: The 180 day subscription to the ePractice Examination will begin when the Sun Registrar provides the Authorized User with a login and password to access to the Web Learning Center.

- Certification Test Voucher - United States
All of the terms at: <http://www.sun.com/service/servicelist/ses/certification-us-eng-20020918.html> apply.

NOTE: Certification Test Vouchers are like cash. If lost, stolen or expired, they will not be replaced or redeemed. The Certification Test Voucher will expire one year from the date of Package order confirmation.

3. Customer Responsibilities

Payment. Customer will pay all amounts due in the currency of the country in which the Sun Certification Accelerator Package was purchased. Package sales are final. No component substitutions or refunds.

4. Assumptions and Dependencies

- Registration Terms. All registrations for ILT Classes are subject to acceptance by Sun. Customers registering pursuant to Customer's purchase of the Sun Certification Accelerator Package will receive the same priority for class registration as all other customers. Customers and/or Authorized Users are required to complete all prerequisite training prior to attending a Course.

- Non-Transferrable. Sun Certification Accelerator Packages are not transferrable.
- Not Refundable. Sun Certification Accelerator Packages are not refundable for any reason.
- Suspension/Revocation. If Sun, in its sole discretion, determines that Customer has failed to comply with the rules stated in this Service Listing, or has otherwise disrupted a class, Sun may suspend or revoke that Customer's ownership of the Sun Certification Accelerator Package upon written notice to customer.

This Service is subject to your existing services agreement with Sun that governs the delivery of Services. If you do not have a services agreement with Sun that would govern the delivery of Services, then Sun's delivery of Services shall be subject to the terms located at www.sun.com/sales/salesterms. This Service Listing or SOW does not constitute an offer by Sun. The Services described above are subject to availability and unless otherwise stated, are only available within the above-referenced country. Any reference to "Customer" in this Service Listing entitled to receive the Services.
