

**SAMPLE ENTITLEMENT FOR COMMERCIAL JAVA ENTERPRISE SYSTEM ("SOFTWARE") -
SUBSCRIPTION**

Licensee company name:
Subscription start date:
Sales Order number:

Initial Term: Year(s) Term

This Entitlement applies to Your Software which is licensed to You for the initial term indicated above ("Initial Term") under Your Software License Agreement subject to Your payment of the corresponding fees. Your obligation to pay these fees during Your Initial Term cannot be canceled and the fees are nonrefundable. Following expiration of Your Initial Term, Your subscription license shall automatically renew for successive one year terms, subject to Your payment of the required fees, unless either party gives notice of non-renewal at least ninety (90) days prior to expiration of Your annual term.

Licensed Unit: The Licensed Unit for the Software is per full time employee ("Employee"). The Licensed Unit is recalculated annually.

Registration: Product registration required in accordance with Software documentation.

Permitted Uses: Commercial and Service Provider Use, subject to the following additional limitations:

(1) You may not host services to Affiliated Company(s) unless their employees are included in Your number of Licensed Units. "Affiliated Company" means a legal entity over which You exercise management control, or which is under common control with You, or which has management control over You;

(2) Governmental entities are not eligible for the Service Provider Permitted Use; and

(3) Your Service Provider Use is limited to a ratio of two hundred non-Employee end users for each Employee end user (200:1) accessing the Software, unless you pay Sun the corresponding fees for additional non-employee end users in which case this limitation does not apply.

Support: Sun Standard Software Support or Sun Premium Software Support may be provided with Your product (as designated on Your invoice). The tasks, deliverables and the parties' other terms and responsibilities associated with such service are posted at:
<http://www.sun.com/service/servicelist/> - these terms are hereby incorporated by reference as applicable.

Current Components: The Sun Java Enterprise System currently includes the following components: Sun Java Directory Server, Sun Java Directory Proxy Server, Sun Java Access Manager, Sun Java Application Server SE/EE, Sun Java Message Queue EE, Sun Java Web Server, Sun Java Portal Server, Sun Java Portal Server Secure Remote Access, Sun Java Portal Server Mobile Access, Sun Java Messaging Server, Sun Java Calendar
