Dear Sun Partner,

We are pleased to inform you that the acquisition of Vaau, Inc. by Sun Microsystems, Inc., announced on November 13th, is now complete. The acquisition will allow Sun to grow its software business by further strengthening its market-leading identity management software portfolio.

As a valued Sun partner, we want you to be one of the first to learn more about the acquisition and how it will strengthen Sun's overall competitive position in the identity audit and compliance space. By combining forces, Sun and our partners have the opportunity to enhance our ability to provide comprehensive solutions to customers across the spectrum of Governance, Risk and Compliance (GRC). This acquisition should enable Sun to:

- Provide market-leading Enterprise Role Management (ERM) and identity compliance solutions and professional services
- Continue to help customers simplify access control and streamline provisioning using a roles-based process
- Offer advanced ways to address the growing demand for controlling and auditing access in a sustainable and cost effective manner

Sales and Product training for Sun Java System Role Manager (formerly known as Vaau RBACx) will be available shortly. A series of online webcasts are being created so please visit the Sun PartnerWeb (<http://www.partner.sun.com>) for new product information and training schedules as they become available.

We are truly excited about Sun and Vaau joining forces because it reflects our commitment to grow with the market and offer the best solutions to our customers worldwide. The winning combination of leading identity and role management products will enable Sun and our partners to provide the most advanced and comprehensive infrastructure solutions to address increasingly complex business requirements fueled by GRC.

If you have any questions about the acquisition please refer to the attached FAQ document, get in touch with your Sun contact or send an email to: idsm-rolmgr@sun.com

Thank you in advance for your ongoing business and support.

Sincerely,

Don Grantham
Executive Vice President
