

Rave Reviews

“I like being able to search the books and **quickly find the information I need**. I also like to login and access it from where I happen to be that day. I don't have to carry 20 books for reference to the client site.”

Keith Watts
Development Manager
Accenture
Houston, TX

“I love how Safari allows me to access new books each month depending on my needs. The search facility is excellent and the presentation is top notch. It is **one heck of an online technical library**.”

Eric Winslow
Economist-System
Administrator-Web Master-Programmer
Bureau of Labor Statistics
Washington, DC

“The online books make quick **research a snap**. I usually keep Safari up all day and refer to it when needed”

Joe Bennett
Sr. Internet Developer
Q-Ray Inc.
Chicago, IL

“The ability to search for information over all of the online books is fantastic. When you need information in a hurry, and the Web isn't cutting it, **Safari rocks**.”

John Margaglione
Senior Software Engineer
Omron Electronics AES,
Shaumburg, IL

“The site availability is very high, the site performance is very good and the readability of the material is **excellent**.”

Ralph Williams
Development Manager
Lateral Limited
United Kingdom

“I especially appreciate having search capabilities when I am trying to **find an answer to a problem quickly**.”

Frank Wierzbicki
Software Architect
Blue Cross/Blue Shield
of North Carolina
Durham, NC

“I like the fact that I can have a few PERL or JAVA books in my subscription. When searching for help on a certain matter, I can **search all these books simultaneously**. I don't have to do it one at a time.”

Matthew Hunter
Internet Application Developer
Virginia Tech
Blacksburg, VA

“The ability to carry around several books **without lugging** more than a username and password.”

Andrew Rivett
Senior Programmer
Digital Mouse Works, Inc.
Ontario, Canada
